### Details

The Hi-Tec Altitude VI WP has the rugged outer and sole that allows you to take on the trail with ease.

The upper features premium full grain leather with I-shield hydrophobic technology to keep water and dirt at bay. The lace-up system makes it easy to get a perfect fit, and the rustproof hardware ensures longevity. You can keep going in wet conditions, as the Altitude boot has a Dri-Tec breathable waterproof membrane, plus a micro-fleece lining to wick away moisture for comfort.

The OrthoLite sockliner provides cushioning, and the CMEVA midsole absorbs impact for long-lasting comfort. This boot also has a rigid nylon shank for support and a Michelin multi-directional traction rubber outsole which provides exceptional traction. Lace on a pair of Altitude VI I Boots from Hi-Tec for waterproof protection and multi-surface grip.
