Details

Built as an ode to the world's first sports sandal, the Teva Original Universal Urban Men's Sandal is a shoe that combines style and functionality for everyday use.

Featuring an open toe construction to stop water from pooling, the Original Universal Urban shoe allows easy adjustment of the hook and loop (Velcro) fastenings across the ankles and toes for a better fit. An EVA footbed cushions and provides arch support whilst the zinc-based anti-microbial treatment prevents odour-causing bacterial growth.

Providing traction utilising Teva's Durabrasion™ Rubber design, the Original Universal Urban walking sandal is a durable shoe that is great for all day wear whether at work or play.

Use: Walking, sightseeing, everyday use
Width: Wide
Sizing: True to size
