Details

With the feel of a conventional bath towel and the absorbency of a sponge, the Drylite towels from Sea to Summit makes it easy to dry off, wherever you are.

Made from a super soft microfibre with a suede finish, this towel is fast drying and very absorbent, so it's ideal when you need a compact and efficient option. The Drylite towels also feature a hang loop with a press stud to make it easy to air out, and they can be chucked in the washing machine when it's time for a clean.

Compact, quick-drying and absorbent - the Drylite Towels from Sea to Summit are a must-have for your next travel, camping or hiking expedition.
