### Details

If you're sleeping outdoors in an area where disease-carrying mosquitos are present, the Permethrin Treated Mosquito Pyramid Net from Sea to Summit is a must. This high visibility black net will provide you with protection from mosquitoes, bed bugs and other biting insects as it has finely woven hexagonal mesh, treated with permethrin which is an effective yet safe insecticide. The asymmetric shape gives you more headroom inside, the overlapping flap at the base allows you to create a bug proof seal, and the coloured tapes on each corner make set up simple. Light, compact and easy to use - the Permethrin Treated Mosquito Pyramid Net from Sea to Summit provides you with mozzie protection when you're hiking, travelling or camping in the wilderness. Permethrin-treated Light and compact Black mesh netting offers high visibility 500 holes per square hexagonal mesh Asymmetric shape for more useable headroom Overlapping flap at the base so you can create a bug proof seal against the floor Height is easily adjustable with tuck in corners for extra protection Colour coded corners for easy setup
